Colorcoat® LG

Available from Tata Steel (formerly Corus), Colorcoat® LG is a leathergrain plastisol product suitable for roof and wall cladding systems where good performance is required at a competitive price.

- 200 µm durable, abrasion-resistant topcoat.
- Comes with leathergrain emboss.
- Available in the most popular colours in standard sizes.
- Galvanised substrate to BS EN 10346:2009 offering good corrosion resistance.
- Available with a performance guarantee up to 25 years including cut edges.
- High performance reverse side backing coat as standard.
- Manufactured in the UK by Tata Steel, who have a proven track record in pre-finished steel.

Colorcoat® reassurance

The Colorcoat® brand provides the recognised mark of quality and expertise from Tata Steel. Encompassing over 40 years of innovation, strict testing procedures and manufacturing excellence, Colorcoat® provides a range of pre-finished steel products which have been used on countless projects worldwide.

Product performance

Colorcoat® LG is carefully manufactured in a controlled process to ensure consistent quality.

The use of Colorcoat® LG in aggressive environments is not recommended. For optimum levels of performance, supported by the market leading Confidex® Guarantee, always specify Colorcoat HPS200 Ultra®.

Guarantee periods

Colorcoat® LG comes with a performance guarantee of up to 25 years, including cut edges. This is made available through the cladding system manufacturer or distributor.

Notes
1. Guarantee periods quoted are applicable to UK and Ireland only.
2. Figures under coastal heading are buildings within 2 km of the sea.
3. Full terms and conditions of the Colorcoat® LG guarantee are on the reverse of the guarantee application form available from Colorcoat® supply chain partners.

Product testing

To ensure the integrity of Colorcoat® products, Tata Steel uses laboratory tests to measure their performance against corrosion, effect of sunlight, chemicals and abrasion. All testing of products is carried out in accredited laboratories to international standards.
